Selig – <https://selig.org.uk/>

- The search for partner churches for the Hope into Action homes that we run in Ipswich. We need partner churches for two of our homes. Each home is occupied by two tenants. Partner churches provide befriending volunteers, prayer support and practical support.
- Give thanks for all that God is doing to grow our work. We are in the midst of transforming our night shelter. We are in discussions about new Hope into Action homes. We will be recruiting new staff in the coming weeks / months. Exciting!
- All the organisations involved in addressing the housing crisis locally. The increased cost of living is exacerbating the lack of affordable homes – especially for single people and/or people on lower wages.
